The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. USDF STATEMENT ON ANIMAL WELFARE

The United States Dressage Federation, Inc. (USDF), a federation of over 125 independent organizations throughout the United States with a membership in excess of 33,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

2022 USDF Regional Adult Amateur Equitation Program Presented by Big Dee's Tack and Vet Supply

The USDF Regional Adult Amateur Equitation Program presented by Big Dee's Tack and Vet Supply is designed to recognize adult amateurs competing in equitation and promote correct seat, position, and use of aids in dressage. The program culminates with an Adult Amateur Equitation Regional Final class which is held in conjunction with each of the nine USDF Regional Dressage Championship competitions, providing adult amateurs with additional opportunity for recognition.

A. Membership and Horse Registration Requirements:

1. Rider must have a USDF Participating Membership at the time the qualifying score is earned, and at the time of the Regional Final class.
2. Rider must be an adult amateur, in accordance with GR1306 & GR1307 of the USEF rules and be designated with USEF as an adult amateur when the score is earned, and at the time of the Regional Final class.
3. Owner must have a USDF Participating or Business Membership when the qualifying score is earned, and at the time of the Regional Final class.
4. Horse must have a USDF Lifetime Horse Registration when the qualifying score is earned, and at the time of the Regional Final class.

B. Eligibility:

1. To be eligible for the USDF Adult Amateur Equitation Regional Final class, rider must have
 - a. Earned a score of 70% or higher in any dressage seat equitation class within the qualifying period of the applicable regional championship.
 - or**
 - b. Qualified to compete in any regional dressage championship class (excluding freestyles).
2. Any dressage seat equitation class (except walk-trot), held at a USEF-licensed/USDF-recognized Dressage competition during the qualifying period, may be used to qualify for that year's USDF Adult Amateur Equitation Regional Final class presented by Big Dee's Tack and Vet Supply.
3. Qualifying periods for this program vary for each region. The period during which an adult amateur may qualify for a particular Regional Final class starts the day after the closing date of that region's 2021 championship and ends on the closing date of that region's 2022 championship.
4. A rider can elect to compete in any one of the nine USDF Adult Amateur Equitation Regional Final classes presented by Big Dee's Tack and Vet Supply but may only compete in one USDF Adult Amateur Equitation Regional Final class per calendar year.

C. Regional Final Class Requirements

1. Current USEF Dressage Seat Equitation scoresheets must be used and all rules in the USEF Dressage Division section, including USEF DR133.1 must be followed.
2. Two Federation Registered (R) or Senior (S) judges, one of who must have USEF Dressage Equitation certification must officiate in each regional finals class using the same scribes and same class scoresheet.
3. Tied scores will be broken by requiring riders to perform an additional independent test, which will be scored by both judges together. The higher score on the additional independent test will receive the higher placing.
4. Competitors must comply with all rules pertaining to horses entered in regional championship classes, including but not limited to the rule that only the rider entered in the championship class may ride the horse.
5. Riders do not need to qualify for and compete in the Adult Amateur Equitation Regional Final class on the same horse.

6. All USEF rules apply. See USEF DR 133.1 for complete specifications of Dressage Seat Equitation. Per rule DR 133.1.h. two numbers (min. 3"x5") must be provided to equitation riders and they must be positioned on each side of the saddle pad to be clearly visible at all times.
7. Dress, saddlery, and equipment rules apply as required for First Level, except that horses also showing in dressage classes at Third Level, and above, may warm up for the USDF Adult Amateur Equitation Regional Final class in a simple double bridle.
8. The rider's position, seat, use, and effect of the aids will be judged as described in USEF DR117.
9. Movements shall be performed simultaneously by all competitors; however judges may request for independent execution of certain exercises. All instructions must be publicly announced.
10. Riders must be judged at the medium walk, sitting and rising working trot, and working canter in both directions. When rising trot is requested, the rider should change the diagonal when changing directions, except during a lengthening. The correct diagonal is considered to be when the rider is sitting when the outside front foot and inside hind foot are on the ground.
11. In judging the position, seat, and use of aids, judges may include the following exercises to be ridden as a group, as required at Training and First Level: free walk, transitions from one gait to another, transitions from walk to halt and vice versa, change of direction via across the diagonal, down centerline, or half circle at the trot or walk.
12. Additional exercises from which judges may choose to request riders complete in small groups or independently include the following:
 - i. Transitions, leg yield, changes of lead through trot, serpentine at the trot, shallow loop serpentine with counter canter, and trot and/or canter lengthening.
13. The size of a group shall be limited to no more than 25 riders. Groups may be divided into smaller sections, at the discretion of the judges, for safety and convenience. Judges may limit the number of horses required to canter at the same time, at their discretion. (DR133.1.e)
14. Classes should be held in an enclosed ring that is larger than a standard dressage arena, if available. If such a space is not available, an open schooling area is permitted. If classes must be held in a dressage arena, it must be at least 20m x 60m, and no more than 6 horses shall be asked to canter at the same time. (DR133.1.l)
